

TECHNICAL INFO
HPW 505

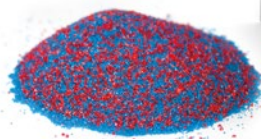

**THOROUGHLY TESTED,
TO GO THE EXTRA MILE**

**HOFMANN POWER WEIGHT 505 BALANCING
COMPOUND:**

- Is TPMS safe
- Will not damage the tyre or inner tyre liner
- Will not influence retreadability

As the market leader in wheel balancing products, we are proud to offer a premium solution for in-tyre balancing. After rigorous selection of materials through intensive laboratory and field testing, we are able to offer a safe and proven solution designed to perform.

HPW 505 has already proven itself on the road and with its unique packaging and marketing concept provides additional benefits paired with a strong brand.

TYPE 505 – BALANCING COMPOUND

YOUR BENEFITS:

- **Quick and easy balancing**
 No balancer required, tear open and into the wheel. Pre-packed bags mean low labour costs, no extensive training or experience required.
- **Increased fuel efficiency**
 Smoother ride and reduced rolling resistance mean longer tyre life, better tread and contact to road, making you more efficient.
- **Prolonged tyre life**
 Longer lasting tread and even tyre wear through fewer vibrations keeping your tyres running smoother and cooler, ultimately lasting longer.
- **TPMS safe**
 Specially coated compound has no adverse effects on TPMS sensors or inner tyre liners, high quality metal valve cap and a special core in every bag, protecting your valve.
- **More driving comfort**
 Vibration dampening increases comfort, causing less exhaustion for driver. Fewer vibrations for load and driver mean both arrive fresh.
- **Environmentally friendly**
 Lead-free, cost effective solution to balance all your wheels and almost all rim types, with no rebalance necessary saving dozens of wheel weights over a tyre life.

| SIZE | WEIGHT | QTY | PART NUMBER |
|------|---------------|---------|---------------|
| XS | 4 oz / 120 g | 16 bags | 0401-5505-120 |
| S | 6 oz / 180 g | 16 bags | 0401-5505-180 |
| M | 8 oz / 230 g | 12 bags | 0401-5505-230 |
| L | 10 oz / 290 g | 8 bags | 0401-5505-290 |
| XL | 12 oz / 350 g | 8 bags | 0401-5505-350 |

COMPREHENSIVE PACKAGE:

- **Application chart**
 Available for download to find the right size for every tyre at www.hofmann-powerweight.com
- **Self-explanatory assembly instructions**
 Easy to follow step-by-step explanation on the bag
- **High-quality accessories for a proper installation**
 Valve core and marked metal valve cap included in every bag
- **Garage-optimized storage box**
 Small footprint boxes with easy opening for smart stock-keeping in the garage
